

Info-Tower Wall

Item no.: 1801

Stand system for floor-to-wall installation

The Info-Tower Wall is a stand system for floor-to-wall mounting. It is suitable for screens between 46 - 84" / 116 - 213 cm.

The black high-gloss surface is the highlight that can be easily implemented in any environment.

The column cover on the back is removable and allows easy access to the cabling, which finds enough space inside the column.

The VESA universal mount is already included in the scope of delivery and can be equipped up to VESA 800 x 600 mm max..

The VESA universal mount is already included and can be used up to VESA 800 x 600 mm max.. The VESA mount is also optionally lockable.

The TV mount can be securely hung in different heights and also has a hang out protection.

The load capacity of the Info-Tower Wall is 80 kg max..

Thanks to a wide range of optional additional items, the system can also be easily adapted to special, individual requirements.
