

vis-it landscape 42 - 46“ Indoor totem

Item no.: 1914

The vis-it landscape is an indoor totem for screens between 42 and 46“ / 107 - 117 cm. It is also available in a larger version for 49 - 55“ / 124 - 140 cm (Item no.: 1915).

It is particularly suitable for positioning in the entrance area e.g. as a digital signage, information point or orientation system.

Screens up to a depth of 68 mm max.* find their place in the high-quality indoor totem.

The cable routing takes place inside and ensures a clean and neat appearance. A power strip is already integrated.

The vis-it landscape offers space in a lockable storage compartment, e.g. for a mini PC or other equipment which needs protection against unauthorized access or theft.

The vis-it landscape is available in a RAL color of your choice and can be adapted to the environment or an existing corporate design.

The active ventilation in the upper area of the stele ensures perfect air circulation.

Optionally, the totem can be equipped with security glass in front of the screen or a WiFi antenna.

In case of a project, also possible according to customer specification.

* deeper screens on request | Technical changes reserved
