

## vis-it landscape 49 - 55“ Indoor totem

Item no.: 1915

The vis-it landscape is an indoor totem for screens between 49 and 55“ / 124 - 140 cm. It is also available in a smaller version for 42 - 46“ / 107 - 117 cm (Item no.: 1914).

It is particularly suitable for positioning in the entrance area e.g. as a digital signage, information point or orientation system.

Screens up to a depth of 93 mm max. find their place in the high-quality indoor totem.

The cable routing takes place inside and ensures a clean and neat appearance. A power strip is already integrated.

The vis-it landscape offers space in a lockable storage compartment, e.g. for a mini PC or other equipment which needs protection against unauthorized access or theft.

The vis-it landscape is available in a RAL color of your choice and can be adapted to the environment or an existing corporate design.

The active ventilation in the upper area of the totem ensures perfect air circulation.

Optionally, the totem can be equipped with security glass in front of the screen or a WiFi antenna.

In case of a project, also possible according to customer specification.
