

Braclabs[®]-Stand Floorbase

Stand system

Item no.: 1981

The Braclabs-Stand Floorbase is a free-standing system for screens from 32 up to 55" | 81 - 140 cm, it is particularly characterized by its simple and quick assembly.

The VESA universal mount includes the VESA standards from min. 200 x 200 mm up to 600 x 400 / 400 x 600 mm max.. The screen can be mounted in landscape or portrait format.

The pin screw on the back enables the desired height to be secured.

Cables are routed inside the column and remain almost completely invisible. A cable pulling aid is included.

Optionally a Braclabs Frontshelf (Item no.: 1984) can be installed.

A mobile version (Item no.: 1983) and a version for floor-mounting (Item no.: 1982) is also available.

usefull cable pulling aid included

asymmetrical base allows positioning close to a wall

Optional:
