

Table Stand BL Eco

Item no.: 2290

Table mount

The Tablestand BL Eco is a universally applicable table mount, which is suitable for screens with a screen diagonal of 37 - 70" | 94 - 178 cm.

Vertically, the VESA mount offers 75 mm - 400 mm, the width can be used as required.

The height can be selected in 3 stages via tools and the tilt angle of $\pm 6^\circ$ ensures an optimal viewing angle.

The cable management is concealed under cable clips on the side.

The supplied anti-slip covers serve as scratch protection for the furniture surface and provide a secure stand.

The max. load is 50 kg.

The surfaces of the stable mount are finished with an impact- and scratch-resistant powder coating.

Due to the subtle design, the mount fits easily into any environment.

cable management via cable clips

tilt angle adjustable

incl. anti-slip covers
