

Info-Tower Single L - HD mobile stand system (heavy duty)

Item no.: 2330

The Info-Tower Single L is a mobile stand system for a screen with a size between 85 and 98" / 216 - 249 cm.

The black high-gloss surface is the highlight that can be easily implemented in any environment.

The stable castors are concealed in the base of the Info-Tower and, if necessary, enable the entire stand system to be moved easily.

The column cover on the back is removable and allows easy access to the cabling, which finds enough space inside the column.

The VESA universal mount is already included and can be used up to VESA 900 x 600 mm max.. The VESA mount is also optionally lockable.

The TV mount can be securely hung in different heights and also has a hang out protection.

The maximum load of the stand system is 125 kg.

Thanks to a wide range of optional additional items, the system can also be easily adapted to special, individual requirements.
