

## ScreenOut<sup>®</sup> 49XE4F-M Outdoor totem for LG 49XE4F-M series

**Item no.: 2502**

ScreenOut 49XE4F-M is a display specific outdoor totem. It was specially developed for the LG screens of the XE4F-M model series.

The air inlets and outlets are display specific customized. Likewise the screen mount included in the scope of delivery.

The slim outdoor totem is finished with a corrosion-resistant plastic powder coating, which makes it highly weatherproof.

It can be used in an ambient temperature range from -30 °C to +50 °C.

The cable routing with power supply is concealed within the totem, which protects against external access.

Quick and convenient access to the built-in components is possible via a door on the back.
