

TSG Stand

Optional foot

The TSG stand is a free standing foot that can be combined with the HA Tablet Case (Item no.: 8799).

The stable mounting plate complies with the VESA standards 75 x 75 mm and 100 x 100 mm and is attached at a 61° angle for optimal viewing.

The stand can, thanks to the tilt-proof stand, be set up freely in the room.

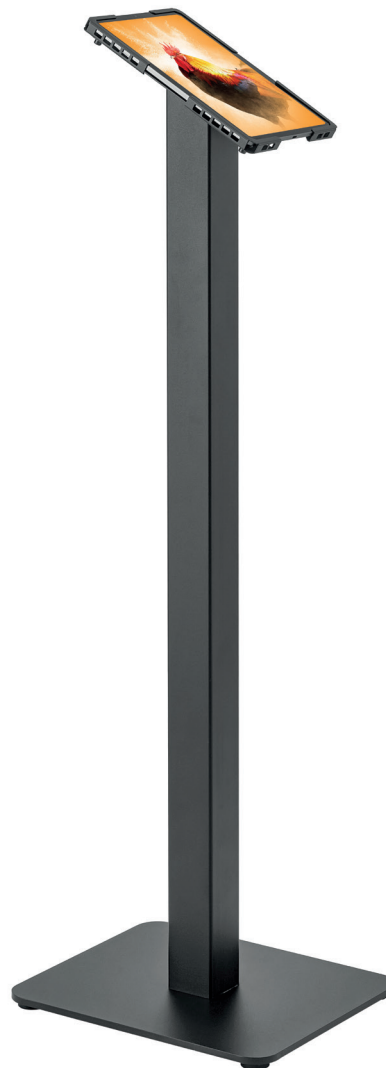

Item no.: 2580

The cable is routed inside the base, hidden from unwanted access and view.

The surfaces are provided with a high quality surface finish. The standard color is black (RAL 9005), but other RAL colors are possible on request.

Sample illustration incl. HA Tablet Case

HA Tablet Case not included.

TSG-Stand
