CON-Line® Big FS Counterbalanced 60 - 90 kg   Item no.: 2772
Media column, free standing, manually height adjustable

The CON-Line® Big FS Counterbalanced 60 - 90 kg is a free standing media column. Due to its compact design, it can be placed almost anywhere.

The height of the system is infinitely variable, thanks to a mechanism that can be adjusted to the weight of the device. The screen holds – without locking – safely at the desired height. The stroke is 400 mm.

It is suitable for screens with a size from 65 - 86" | 165 - 218 cm. The included VESA mount can be fitted with VESA 800 x 600 mm max.. The screen is mounted in landscape orientation. Ventilation grilles in the corpus provide sufficient ventilation.

AV accessories are protected behind the front panel with sliding door incl. soft close.

The removable AV mounting panel (2 pcs) makes the installation quick and easy.

A retractable security lock on the side of the corpus provide additional security.

The tilt proof base plate ensures a stable stand.

The load capacity can be adapted to the weight of the device and is between a minimum of 60 kg and a maximum of 90 kg.

Other colour or decor variants (corpus) are available on request - also as unique piece.
