

CON-Line[®] Big W Cisco Webex Board Pro 55" Item no.: 2777

Media column, floor-wall mounting, display specific

The CON-Line[®] Big W Cisco Webex Board Pro 55" is a media column for floor-wall mounting, which has been designed display specific for Cisco Webex Board Pro 55".

The hole pattern of the system is designed and optimised for Cisco's collaboration room systems.

Locking screws on the screen mount secure the screen against unhooking and falling down. The screen is mounted in landscape format.

Due to the space saving floor-wall mounting not much space is required. Levelling feet mounted underneath the corpus provide levelling if required.

Ventilation grilles in the corpus provide sufficient ventilation.

AV accessories are protected behind the front panel with sliding door incl. soft close. The removable AV mounting panel (2 pcs) makes the installation quick and easy.

A retractable security lock on the side of the corpus provide additional security.

Other colour or decor variants (corpus) are available on request - also as unique piece.

Optionally, a side-by-side solution is possible to generate.
