

## **Poly P15 E70 X30 Display Adapter 55 - 75"** **product specific universal adapter**

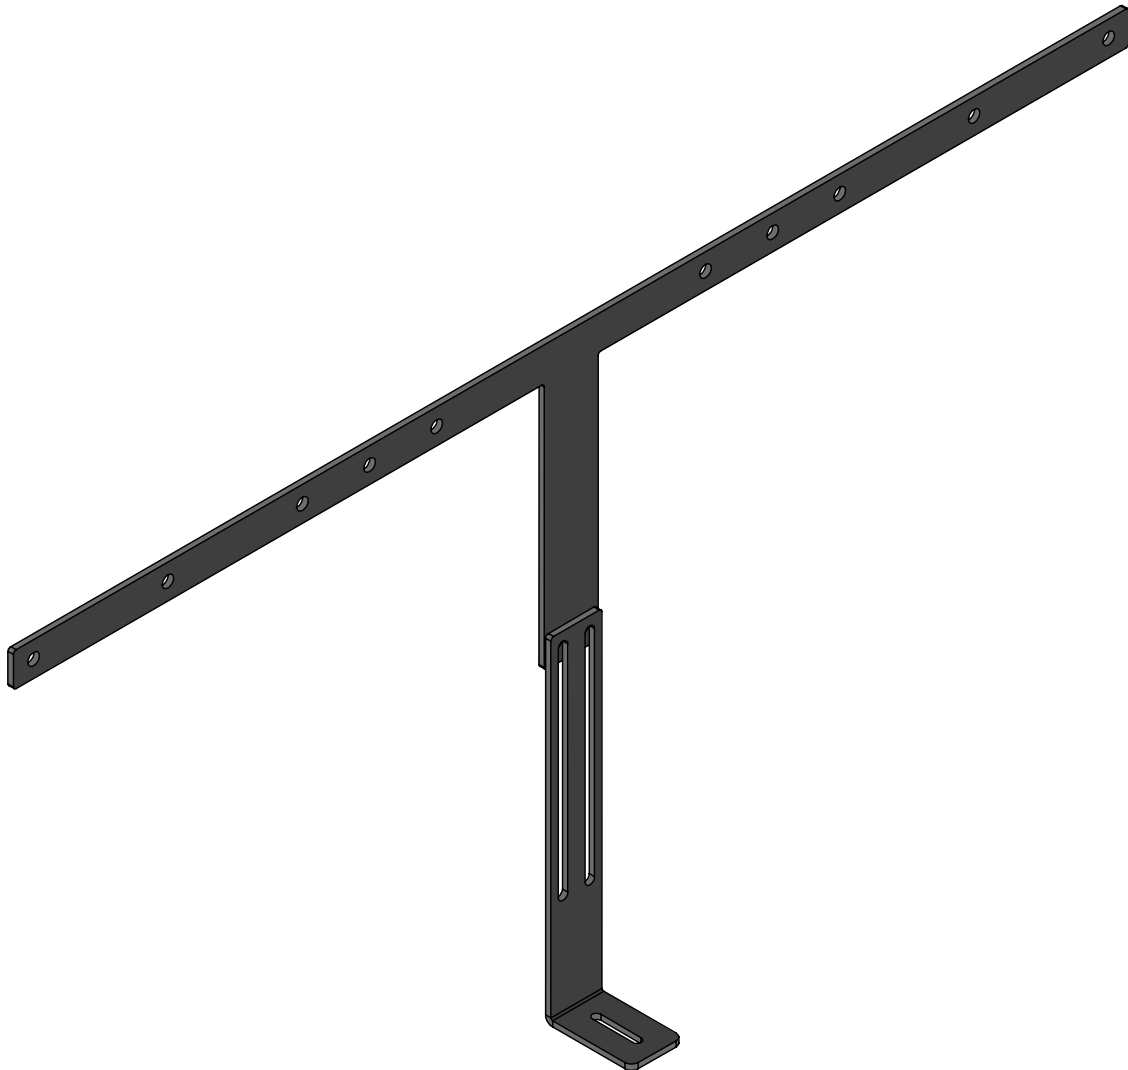

**Item no.: 2918**

The Poly P15 E70 X30 Display Adapter 55 - 75" is a product specific adapter especially for Poly Studio P15, Poly Studio E70 and Poly Studio X30 video conferencing systems in combination with a screen from 55 - 75" | 140 - 191 cm.

The VESA standard is covered up to max. VESA 800 mm. The adapter is installed between the screen and the screen mount.

Thanks to the oblong hole, the adapter can be adjusted exactly to the desired height.

It can be mounted either above or below the screen. The surfaces are finished with an impact and scratch resistant powder coating in black.
