Logitech Rally Bar & Rally Bar Mini 55 - 86"
## product specific adapter
Item no.: 2931

The Logitech Rally Bar & Rally Bar Mini 55 - 86" is a product specific adapter especially for Logitech Rally Bar and Logitech Rally Bar Mini in combination with a screen from 55 - 86" | 140 - 218 cm.

The VESA standard is covered up to VESA 800 mm max.. The adapter is mounted between the screen and the screen mount.

Thanks to the slotted hole, the adapter can be adjusted exactly to the desired height. It can be mounted either above or below the screen.

The surface is finished with a solvent free, impact and scratch resistant powder coating in black.
