

## Logitech Meetup II Display Adapter 55 - 75" **Item no.: 2940** product specific universal adapter

The Logitech Meetup II Display Adapter 55 - 75" is a product specific adapter for Logitech Meetup II video conferencing systems in combination with a screen from 55 - 75" | 140 - 191 cm.

The VESA standard is covered up to max. VESA 800 mm. The adapter is installed between the screen and the screen mount.

Thanks to the oblong hole, the adapter can be adjusted exactly to the desired height.

It can be mounted either above or below the screen. The surfaces are finished with a solvent free, impact and scratch resistant powder coating in black.
