

HP Hide-Flip foldable ceiling mount

Item no.: 3106

The HP Hide-Flip is a foldable ceiling mount for a single screen with a screen size from 17 - 37" | 43 - 94 cm.

The VESA universal mount can be equipped with a minimum of 75 x 75 to a maximum of 200 x 200 mm.

The distance from the ceiling can be set variably and is at least 150 to a maximum of 290 mm, depending on the screen installed.

The bracket can be folded between 0° and -90°. The stable locking mechanism ensures a secure hold in the ceiling position.

When folded down, the holder can be swiveled by $\pm 90^\circ$, which enables an optimal alignment with the viewer.

The stable ceiling plate is equipped with practical key-hole holes and can also be easily mounted on sloping ceilings.

The surface of the HP Hide-Flip is finished with an impact- and scratch-resistant powder coating.

The maximum load is 20 kg.

VESA min. 75 x 75 up to max. 200 x 200 mm

also suitable for sloping ceilings

space-saving folding of the mount
