

CPS-FIXED ARMS FOR TWO RAILS (HEAVY DUTY) Item no.: 3202 comPROnents® component

- fixed VESA arms
- usable in conjunction with two CPS-Alu Rails attached one on top of the other
- max. VESA 800 mm (can be combined with VESA 900 adapter stripes)
- particularly suitable when using large, heavy screens
- dimensions: H 840 x W 39 x D 51 mm
- they are also recommended when using touchscreens, since they increase stability
- impact- and scratch-resistant powder coating
- colour: black
- optionally lockable
