

CPS-RAIL ADAPTER FOR ALU PILLAR

Item no.: 3209

comPROnents® component

- rail adapter
- enables a conjunction of the CPS-Alu Pillars to the CPS-Alu Rails
- thanks to the ingenious profile of the aluminium pillars, a large number of these adapters can be placed on top of each other - so several screens can be installed on top of each other
- fast and easy installation of the aluminium rails
- dimensions: H 170 x W 151 x D 56 mm
- impact- and scratch-resistant powder coating
- colour: black
