

## Elia SB Back-to-Back

Heavy-duty stand system for 2 screens „back-to-back“

Item no.: 4876

Elia SB Back-to-Back is a heavy-duty stand system for two screens with a screen size up to 75"/ 191 cm max.. The screens are mounted back-to-back in landscape format.

The VESA universal mounts is already included and can be equipped up to VESA 800 x 600 mm max.. The VESA mount can be set at different heights. The height is selectable in detents in 50-mm steps.

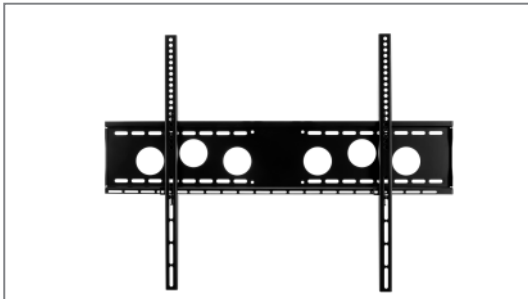

The oval, tilt-proof base plate has a footprint of W 900 x D 600 mm. The column height (including the base plate) is 1810 mm.

The column cover is removable and allows easy access to the cabling, which finds enough space inside the column.

The Elia SB back-to-back heavy-duty stand system is available in black and has a maximum load capacity of 125 kg (2x 62.5 kg).

The stand system can optionally be equipped with a special set of castors, which has a soft grip surface for easy handling and low noise emissions. Set consisting of 6 castors, including lock-type brake (Item no.: 2407).

In addition, a glass shelf for AV equipment is available, which is height-adjustable and offers an area of W 500 x D 300 mm to use. If necessary, several glass shelves can be mounted one above the other (Item no.: 2406).

incl. VESA mounts with VESA 800 x 600 mm max.

concealed cable routing, cable outlet

lockable (optional use)

Technical changes reserved
