

Item no.: 5849

STBW Cisco WebEx Board Pro 75⁴

display-specific floor-wall mounting system

The STBW Cisco WebEx Board Pro 75" is a display-specific floor-wall mounting system, which was specially developed for Cisco WebEx Board

75".

The hole pattern of the display-specific floor-wall mounting system has been designed and optimised specifically for Cisco collaboration room systems.

Locking screws on the screen mounts secure the screen against unhooking and falling down.

Cabling is organised and held together by cable clips along the rails and columns.

The surfaces of the STBW Cisco WebEx Board Pro 75" are finished with a solvent-free, impactand scratch-resistant powder coating in black.

The maximum load capacity is 85 kg.

Cable routing along the rails

Space-saving thanks to floor-wall mounting

Stable construction
