

Cover Set WH LG 55XE4F

optional accessorie, cover

Item no.: 5873

The WH LG 55XE4F cover set is an optional accessorie that can be combined with the WH LG 55XE4F (Item no.: 5868) and the outdoor monitor LG 55XE4F.

The cover protects against unauthorised access and provides an aesthetic wall closure.

Display optimised ventilation openings ensure sufficient ventilation and prevent against heat up.

The cover set can be used in either portrait or landscape orientation.

Thanks to a highly weatherproof and also corrosion resistant plastic powder coating in black (RAL 9005), the cover set is suitable for an ambient temperature range of -30° C to +50° C.
