The HP LED Floorstand Sharp/NEC FA019i2 165" is a free standing floor stand that was designed specifically for Sharp/NEC LED displays.

The leveling feet with level control can be precisely aligned if necessary and compensate for small unevenness in the floor.

The simple, minimalist design blends into any environment and is therefore not annoying or even obtrusive.

The surface of the free standing floor stand is easy to care for, thanks to a solvent free, impact and scratch resistant powder coating in black.
