

## HP LED Trolley LG LAEC 163" GN2

Item no.: 6288

### mobile floor stand

The HP LED Trolley LG LAEC 163" GN2 is a mobile floor stand that was designed specifically for LG LED displays.

The screens can be mounted at 3 different heights, depending on the preference or requirement at the installation site.

Castors with lock type brakes ensure the necessary mobility on the one hand and a secure stand on the other hand.

The simple, minimalist design blends into any environment and is therefore not annoying or even obtrusive.

The surface of the trolley is easy to care for, thanks to a solvent free, impact and scratch resistant powder coating in black.
