

BrackIT[®] Stand Dual

Mobile display cart

The BrackIT Stand Dual is a mobile display cart for 2 screens „side-by-side“ with a screen diagonal of 42 - 55“ | 107 - 140 cm.

The VESA mounts can be equipped up to a maximum VESA standard of 600 x 400 mm.

The height of the VESA mount is adjustable via the profile system and the individual VESA arms can be set at a tilt angle of 0 - 20°.

Item no.: 8226

The cable management takes place via cable clips along the column and along the aluminium rails.

Thanks to the castor set, which is equipped with lock-type brakes, the system can be safely fixed at the desired location.

The surfaces are finished with an impact- and scratch-resistant powder coating in black.
