

## BrackIT<sup>®</sup> Stand Dual XL

### Mobile display cart

The BrackIT Stand Dual is a mobile display cart for 2 screens „side-by-side“ with a screen diagonal of 55 - 75“ | 140 - 191 cm.

The VESA mounts can be equipped up to a maximum VESA standard of 800 x 600 mm.

The height of the VESA mount is adjustable via the profile system and the individual VESA arms can be set at a tilt angle of 0 - 15°.

**Item no.: 8227**

The cable management takes place via cable clips along the column and along the aluminium rails.

Thanks to the castor set, which is equipped with lock-type brakes, the system can be safely fixed at the desired location.

The surfaces are finished with an impact- and scratch-resistant powder coating in black.

Technical changes reserved
