

Elia Studio Shine Wood Display stand

Item no.: 8229

Elia Studio Shine Wood is a free standing display stand, which is particularly characterized by its unique „easel design“.

It is suitable for screens with a screen diagonal of 40 - 70" | 102 - 178 cm.

The VESA standard is supported from a minimum of 200 x 200 mm to a maximum of 600 x 400 mm.

A height adjustment via tools ensures an optimally aligned end position.

The cable is routed by means of cable clips on the back along the conical feet.

The integrated LED ambient lighting can be set to various lighting moods using the handy remote control.

The combination of the high quality surface finish in dark grey and the design feet in noble, dark wood ensure a timeless look.

The max. load is 40 kg.

The included safety wire rope can optionally be used as an additional anti-tipping device to the wall.

As an alternative, the stand system is also available in a high quality dark grey design.
