

HA ST One:Quick

mobile floor stand | display specific for LG One:Quick

Item no.: 8232

The HA ST One:Quick is a mobile floor stand. It is display specific for the screens LG One:Quick 43" and LG One:Quick 55" but also suitable for other display models with matching VESA.

Adapted to the rotatable screen LG One:Quick 43" the VESA mount can be rotated continuously from 0 to 90°.

Switching between landscape and portrait orientation is possible at any time and without tools. If required the rotating function can be blocked.

The VESA mount can be equipped with VESA 200 x 200, 300 x 300 mm and 400 x 400 mm.

The height of the screen can be varied along the column (Tools needed).

The centre of the screen is at a height of approx. 1500 mm.

The surfaces of the mobile floor stand is finished with a solvent-free as well as impact and scratch resistant powder coating in white.

Cable management is provided by clips on the back along the columns, which can be positioned as required.

AV accessories and other small parts find their place in the rear shelf or on the included AV shelf.

The maximum load of the system is 35 kg.
