

WH Moto 160

Electrical wall mount with height adjustment

Item no.: 8408

The WH Moto 160 is a wall mount with electric height adjustment. The lift system is suitable for screens with a size of 84 - 110" | 213 - 279 cm.

The universal VESA standard is supported up to a maximum of VESA 900 x 800 mm. The screen is mounted in landscape format.

The height of the screen can be easily adjusted using a wired touch control.

The travel way is 500 mm.

The surface of the WH Moto 160 is finished with an impact- and scratch-resistant powder coating in black.

The max. load is 160 kg.

wired touch control
