

BrackIT[®] M

Full motion wall mount

The BrackIT[®] M is a full motion wall mount for a screen with a size from 43" up to 50" (109 - 127 cm).

The VESA mount covers the universal VESA standards 100 x 100 mm and 400 x 400 mm and allows the screen to be mounted either in landscape or portrait orientation.

The screen tilt can be adjusted between -5° and +12° during installation.

The wall distance can be adjusted between a minimum of 71 mm and a maximum of 491 mm thanks to the swivel joint.

Item no.: 8428

In addition, the holder can be swiveled by $\pm 90^\circ$. The exact angle depends on the width of the mounted screen.

The cabling is held together by a cable clip.

The maximum load capacity is 30 kg.

The surfaces are protected by a solvent free, impact and scratch resistant powder coating in black.
