

## HA Tablemount KB Triple Desktop Monitor Mount

**Item no.: 8709**

The HA Tablemount KB Triple is a tiltable, swivelling and height-adjustable desktop monitor mount for three monitors between 15 and 27" | 38 - 68 cm, which is also suitable for wide or curved screens.

The included VESA universal mount supports the VESA standards 75 x 75 and 100 x 100 mm.

The monitor can be installed in portrait or landscape format. The format can be changed from landscape to portrait and vice versa at any time.

The installation can be done either with a table clamp (no drilling required) or as a screw installation.

The fastening materials required for both variants are included in the scope of delivery.

When using the clamp assembly, desktop widths from 10 to 88 mm are supported, the screw assembly can be used for table tops from 10 to 80 mm.

The screen can be tilted  $\pm 45^\circ$  and swiveled  $\pm 15^\circ$ . The height can be varied between 100 and 450 mm via tools.

Cables can be laid neatly and space-saving in rear clamps.

The surface is finished with an impact- and scratch-resistant powder coating in black.

The max. load is 8 kg per VESA holder.

clamp or screw mounting possible

VESA 75 x 75 and 100 x 100 mm

cable routing via cable clips
