

VWH-3

Video wall mount

The VWH-3 is a video wall mount with fine adjustment for screens with a size from 42 up to 55" | 107 - 140 cm to create a video wall - especially for seamless displays.

Thanks to the fine adjustment (no tools needed) by a 8-point level regulation in height, width and depth, the VWH-3 offers an extremely simple initial installation which means that the installation time can be reduced to a minimum.

Item no.: 1484

Incl. adapter set for mounting for VESA 600 x 400 mm or VESA 400 x 600 mm.

The load limit is 50 kg max..

An optional adapter set is available to extend the VESA standard up to VESA 600 / 800.

8-point levelling, no tools needed

Installation example at shopping mall „Westpark Ingolstadt“
