

WH Cisco WebEx Board Pro 75" display-specific wall mounting system

Item no.: 5837

The WH Cisco WebEx Board Pro 75" is a wall mounting system that is designed for the Cisco WebEx Board Pro 75".

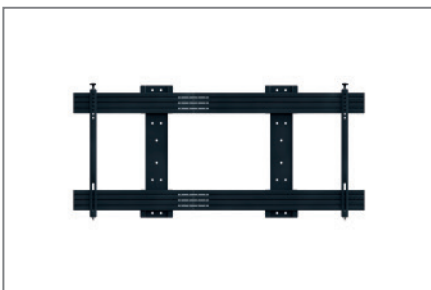

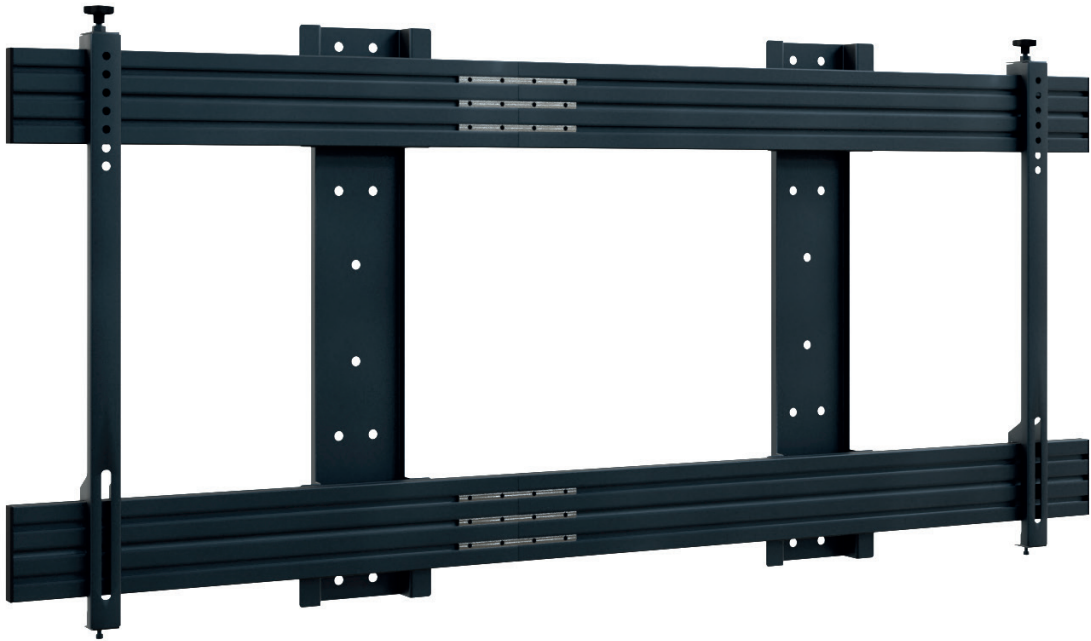

The hole pattern of the display-specific wall mounting system was designed and optimised specifically for Cisco collaboration room systems.

Locking screws on the VESA mounts secure the screen against unhooking and falling down.

The cabling is organised and held together by cable clips along the rails.

The surfaces of the WH Cisco WebEx Board Pro 75" are finished with a solvent-free, impact- and scratch-resistant powder coating in black.

The maximum load capacity is 85 kg.

Stable construction

Short wall distance

Cable routing along the rails
