

STBW Cisco WebEx Board 55" | Board Pro 55" Item no.: 5847 **display-specific floor-wall mounting system**

The STBW Cisco WebEx Board 55" | Board Pro 55" is a display-specific floor-wall mounting system, which is specially designed for Cisco WebEx Board 55" and Cisco WebEx Board Pro 55".

The hole pattern of the display-specific floor-wall mounting system has been designed and optimised specifically for Cisco collaboration room systems.

Locking screws on the screen mounts secure the screen against unhooking and falling down.

Cabling is organised and held together by cable clips along the rails and columns.

The surfaces of the STBW Cisco WebEx Board 55" | Board Pro 55" are finished with a solvent-free, impact- and scratch-resistant powder coating in black.

The maximum load capacity is 50 kg.

Cable routing along the rails

Space-saving thanks to floor-wall mounting

Stable construction
