

WH Cisco WebEx Board 55" | Board Pro 55" **Item no.: 5863** display-specific wall mounting system

The WH Cisco WebEx Board 55" | Board Pro 55" is a wall mounting system that is designed for the Cisco WebEx Board 55" and Cisco WebEx Board Pro 55".

The hole pattern of the display-specific wall mounting system was designed and optimised specifically for Cisco collaboration room systems.

Locking screws on the VESA mounts secure the screen against unhooking and falling down.

The cabling is organised and held together by cable clips along the rails.

The surfaces of the WH Cisco WebEx Board 55" | Board Pro 55" are finished with a solvent-free, impact- and scratch-resistant powder coating in black.

The maximum load capacity is 50 kg.

Stable construction
