CON-Line T1 Dual

professional media furniture

Item no.: 1956

The CON-Line T1 Dual is suitable for 2 screens „side-by-side“ with a size of 46 up to 55“ / 116 - 140 cm. The VESA universal mounts up to VESA 600 x 400 mm max.are included.

The system is mobile thanks to four castors. Two of them, on the back, are lockable.

The base plate of the media furniture is protected by a circumferential edge protection.

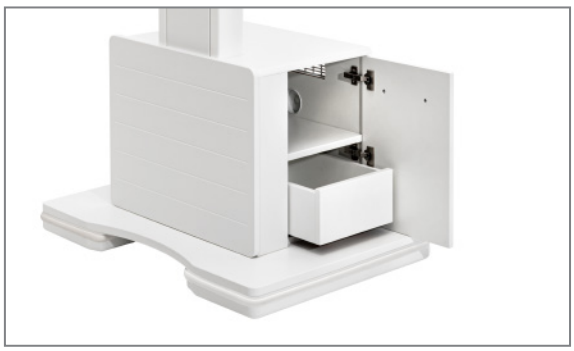
Base, cabinet and drawer have an easy-care surface finish.

The height of the screen can be selected in detents (tool needed) and the maximum load is 80 kg (2x 40 kg).

The included VESA universal mounts can be optionally expanded. There is e.g. an adapter for the Cisco Webex Room Kit available.

Different colour variations and wood decors can be realized on individual request.

Camera holder and sound bar mounts are also optionally available.



Well structured, ventilated storage for media technology

Rear view, lockable castors, ventilation grid

stable castors ensure mobility
