

Poly Display-Adapter 55 - 75" product specific universal adapter

Item no.: 2286

The Poly Display-Adapter 55 - 75" is a product specific adapter for Poly Studio and Poly Studio X50 video conference cameras.

The adapter is installed between the screen and the screen mount. It is suitable for screens from 55 - 75" | 140 - 191 cm.

The VESA standard up to max. VESA 800 mm is supported.

Thanks to the oblong hole, the desired height can be adjusted and fixed exactly.

It can be installed above or beneath the screen.

The surface of the adapter is finished with an impact- and scratch-resistant powder coating in black.

All fastening materials are included in the scope of delivery.

suitable with Poly Studio and Poly Studio X50

Installation example at Info-Tower Single L (Item no.: 1566)
