

HA-VWT 2x2 Landscape

Video wall trolley

The HA-VWT 2 x 2 Landscape is a mobile video wall stand system. It is suitable for screens with a screen diagonal of 46 - 65" | 117 - 140 cm to create a video wall split 2 x 2 landscape.

The individual TV holding fixtures offer the possibility of levelling in depth and height through separate fine adjustment. The total height of the displays can be chosen variably, thanks to the height adjustment via tools along the two columns. The height of the upper screen row is max. 1880 mm.

The included VESA holders support the VESA standards up to max. VESA 800 x 400 mm.

Item no.: 5800

Thanks to the castors with lock-type brake, the video wall trolley can be conveniently moved, freely positioned and fixed.

The cabling is organized and securely held together by cable clips along the column.

The max. load is 4 x 40 kg | 160 kg.

The surfaces of the HA-VWT 2 x 2 Landscape are finished with an impact- and scratch-resistant powder coating in black.

HA-VWT 2x2 Landscape

Video wall trolley

Item no.: 5800
