

WH LG 55XE4F

Item no.: 5868

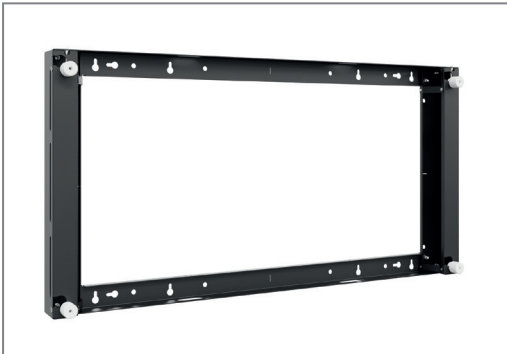

Outdoor wall mount, display specific for LG 55XE4F

The WH LG 55XE4F is a highly weather proof outdoor Wall mount, which was developed specifically for the LG 55XE4F outdoor screen.

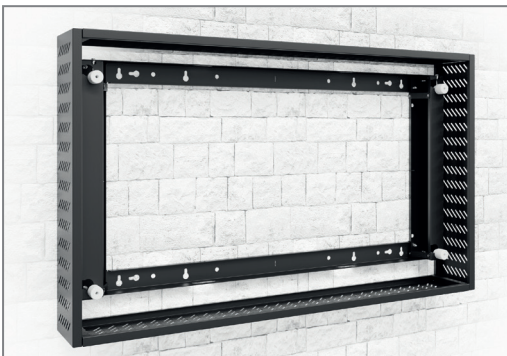

The LG 55XE4F screens are already water proof and dust proof according to the IP56 standard and can be used in an ambient temperature range from -30 °C to +50 °C. In addition, the display front consists of 5 mm thick, robust protective glass, which has been certified with IK-10 (IK = European impact resistance level).

The screen mount is display specific. It can be mounted in portrait or landscape orientation.

The surface of the wall mount is finished with a highly weather proof, corrosion resistant plastic powder coating in black (RAL 9005).

Portrait or landscape format possible

Option: Cover Set WH LG 55xe4f | Item no.: 5873

Also usable as an outdoor totem thanks to an optional extension
