

## HP LED Trolley Hisense 138"

### mobile floor stand

The HP LED Trolley Hisense 138" is a mobile floor stand that was designed specifically for Hisense LED displays.

The screens can be mounted at 3 different heights, depending on the preference or requirement at the installation site.

Castors with lock type brakes ensure the necessary mobility on the one hand and a secure stand on the other hand.

**Item no.: 5947**

The simple, minimalist design blends into any environment and is therefore not annoying or even obtrusive.

The surface of the trolley is easy to care for, thanks to a solvent free, impact and scratch resistant powder coating in black.

Optionally, the mobile floor stand can be equipped with a useful AV Shelf.
